TO THE MOTHERS OF KANSAS CITY, MO.

A word to the public, but especially mothers, as I am a mother and am writing this for the benefit of our girls, the flowers of our families. I have two dear little girls between the ages of 14 and 16 years, hence I am interested in other girls of this age as well as my own. I wish to call your attention to the parties or social functions carried on nightly in the various homes and conducted entirely by children who live in these homes and frequented by children without chaperones. Now if every mother was interested in their girls as I am there would be no more of these parties and they would be failures for the lack of guests. I was out of the city recently for about two months and when I returned I heard of these parties and my girls had been attending them. I at once made up my mind to find out the nature of them and as a result I accompanied my daughters to two of them. I found them to be most disgraceful and embarrassing. I am positive that any mother who desires to rear those dear sweet boys and girls with a knowledge of respectability and purity would endeavor to break up such places of ruin and degradation. These invitations are sent out through the schools and they have no respect of persons in the lists. Some of these places are not even presentable where these affairs are given. I hope this will start other mothers to thinking. Girls we love for what they are; boys for what they promise to be. Girls at an early age are not content with being pretty; they wish to be thought so. We soon notice by their little airs that this care already occupies them and scarcely are they capable of understanding what is said when they may be governed by telling them what is thought of them. The same motive, very indiscreetly proposed to the little boys have an influence over them. A lovely child is above rank. Girls are sweet and are of ardent nature. They are as heaven made them; handsome enough if they be good enough. The mother's heart is the child school room. Holy as heaven--a mother's tender love; the love of many prayers and many tears which changes not with dim declining years. I hope to leave this impression with my dear readers that the future destiny of the child is the work of the mother.

ANOTHER MURDER.

It seems as though a wave of crime among Negroes is sweeping over Kansas City this week. On Wednesday night near 12th and Highland Gaines L. Smith, about 28 years of age, was shot and killed by another Colored man named Walter King whom it is alleged Smith had assaulted and wounded severely with a knife several weeks ago. King had just been released from the hospital and upon meeting Smith drew his revolver and began firing at him, killing him almost instantly, after which he gave himself up to the officers.

OUR PEACE DELEGATE.

An armistice signed, the war has ceased. And the world is clamoring for a permanent peace. And every country has sent delegates To a world's peace conference to arbitrate. For justice and equal rights for all, Whether that Nation be great or small.

Great men of all Nations have ideas and plans. For establishing harmony in all the land. And making a peace that ever shall be From war and its evils safeguarded and free; And for establishing Democracy in all the land Which will give equal rights to every man.

But what if their efforts at unity fail, And they find arbitration of no avail, And without an exception they all will declare That the only conclusion arrived at, thus far, We can only have peace by preparing for war.

We should then look to God, Who rules all the land, And holdeth the peace of the world in His hand, And trust to Jesus, our Delegate, Who stands before God as an Advocate.

And remember His message (who died for our sins) On earth peace, good will toward men. --Original, by Henry L. Brown, 1810 E. 12th St.

NEGRO OFFICER TO GET D. S. C.

Medal Presentation at Dodge to Lieutenant Rufus Jackson of the 370th.

A distinguished service cross is on its way to Camp Dodge for presentation to Lieut. Rufus B. Jackson of Des Moines, according to a letter from the adjutant general received this week. Lieut. Jackson, the letter said, served with the 37th Infantry overseas and was discharged from the service February 28th. An appropriate presentation ceremony at Camp Dodge is requested by the War Department.

The citation reads: "For extraordinary heroism near Farm La Folle, France, Sept. 28th. Having been ordered to use Stokes mortars in wiping out machine gun nests which had been resisting the advance of his company, Lieut. Jackson made a personal reconnaissance to the enemy's lines to locate the nests. Accomplishing his purpose he returned and directed the first, silencing the guns."

NEGROES HOLD CONVENTION.

Jefferson City, Mo., April 2. Approximately 150 prominent Negro men and women met in a two days' Convention in this city last Thursday and Friday. The sessions were presided over by Prof. J. Silas Harris, President of the Negro Educational Congress and interesting addresses were delivered by Dr. W. J. Thompson of Kansas City, Mrs. Rosa Jen-

kins, President Kansas City Federation of Colored Women's Clubs; Prof. J. B. Coleman, of Columbia; Prof. Rufus Logan of Jefferson City, President Clement Richardson of Lincoln Institute. On Friday night a big mass meeting was held in the House of Representatives, addresses by Speaker S. F. O'Fallon, Dr. Thompson and others.

THE ST. LOUIS Y. M. C. A.

Last week the secretary of our Paseo "Y" and Prof. G. N. Grisham attended the dedicatory exercises for the new Pine Street Y. M. C. A. at St. Louis.

The new building, located at Pine and Ewing streets, is the best of the Association buildings, erected with the aid of the Rosenwald gift. The building complete is to cost \$192,829.51. Of this amount \$57,500.00 was raised by Colored people, \$110,329.51 by the Metropolitan Board and \$25,000.00 by Mr. Julius Rosenwald, of Chicago.

The exercises were in every way a big success. Secretaries and members of other Associations were present and many other out-of-town visitors were in attendance. The principal speakers on the program were: The Hon. Seldon P. Spencer, U. S. Senator; Dr. J. E. Moorland, International Secretary; Lieut. Col. Otis B. Duncan of the 370th U. S. Infantry, and Mayor Henry W. Kiel, of St. Louis.

St. Louis is really aroused over the success of this particular effort and too much cannot be said of their splendid committee of managers for their work. Prof. Williams is tireless in his efforts to have the "Y" succeed and he is ably assisted by our good friends, Mr. and Mrs. A. E. Malone. These good people have meant much to the "Y" movement in St. Louis and all the visiting secretaries went away wishing that they could take the Malones with them.

SALINA, KANSAS.

The Colored Glee Club of this city sang at the Convention Hall Sunday at 3:00 o'clock P. M., March 30, at which time a free Musical Concert was given for all of the citizens. They were highly applauded for their rendition of folk song and popular numbers. The Junior Stewards Board met with Mrs. Cobb, the board having completed its mission; a delicious luncheon was served. The Senior Board will meet with Mrs. Essie Ross on North Santa Fe Wednesday, April 2nd. The Tackey Social given by the Junior Board was a success on April 1st. The N. U. G. Art Club had a splendid program at the U. K. T. Hall March 27. All present were highly elated over the success. Sunday, April 6, will be the third quarterly meeting at the A. M. E. Church. The pastor and members are repairing for a great day at which time the Presiding Elder Smith will be in charge. The converts that lately came into the Church will be baptized by the pastor. After the 3:00 o'clock sermon all are invited to attend. The members of the M. E. Church are glad to welcome their new pastor, Rev. W. H. G. Rour which

church has been without a pastor for several months. We wish them success. May we as a race do much for the uplift of humanity and do little to press it.
